Dear Miss Burrows/Mr Roberts

Your ref: BR/237/12/TC

I have downloaded and completed your tree-work application, which I hope is sufficient for your purposes in answering the points raised in your letter of 17th September.

As has been established in the past, none of the trees have TPOs, and formerly it was not required to specify height reduction in metres; however, I understand that this is a recent requirement, and, where required, I have estimated the reductions to the best of my ability.

I hope you now have all the information you need to approve these proposals.

Sincerely

[redacted]

Ian Harris
