Dear Mr Renton,

BR/237/19/PL and BR/238/19/L AT Picturehouse Cinema , Bognor Regis.

I have received a statement explaining further details as to why the removal of the walls is required to ensure future of use the building. I believe the removal of the walls is acceptable and public benefit outweighs the harm to the building. I will however have to discuss with my manager.

Please can we agree an extension until 14th February to enable to me discuss and pass to my manager for sign off.

Thank you
Amber Willard
