Dear Simon

Land to the rear of No.6, Ockley Road, Bognor Regis, PO21 2HW

Planning Application – BR/239/17/NMA

With regards to the above application submitted on 18/08/2017 please find the attached drawing 02_Rev H_Site Plan, which is to replace the previous drawing 02 Rev G which was submitted with the application.

The changes to this revised drawing include the removal of the side pedestrian access gate (the pedestrians can use the main gates) and the addition of pillars either side of the electric gates to allow for more space behind the moving elements which is a safety requirement.

Please let us know if you require any further information or if this causes any other issues.
