Subject: Planning Application Objection [Ref: BR/241/13]

For the attention of:
Mr Cronin

Dear Mr Cronin,

Re: Planning Application Ref: BR/241/13 - 122 Chichester Road, Bognor Regis

I would like register my objection to the above planning application for the following reasons:

1. The height/style of wall is not in keeping with other front boundary walls in the immediate area.
2. Bearing in mind the proximity of the proposed wall to the road kerbside raises a safety problem in that the height of the wall will restrict visibility to passing traffic not only from 122 Chichester Road but also immediate neighbours on either side.
3. The introduction of gates for entry and exit so close to the kerbside would act as a hindrance to the flow of traffic along the main road.

Yours sincerely

Mike Weller
