Dear Mr Hackett,

I have been re assigned the above application which I believe you are the agent for.

In writing up my report I have noticed a discrepancy in the block plan regarding the site measurements. Although the extension appears to be measuring off correctly at a scale of 1:500 the supplied distances to the boundaries are not. I would be grateful if you could rectify the issue and supply me with amended plans. I aiming to issue my report to my team leader as early as Monday therefore was hoping it would be possible to obtain the plans before then. Please let me know if this will be an issue.

Kind regards

Kathryn
