Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/242/20/PL
Site Address: 51 Canada Grove Bognor Regis PO21 1DW
Description of works: Access ramp. This application affects the setting of a Listed Building, affects the character & appearance of the Bognor Regis Railway Station Conservation Area & is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 12th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31332

I have two concerns.

The first is how this feature could be to the detriment of the frontage of a unique building.

The second is cost. Who pays? The residents of the town wards, when money is tight anyway, and bearing in mind there is a ramp that gives access to two screens (this proposed ramp will only give access to one), I believe this to be a waste of tax payers money.

THIS feature offers no positive benefits.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
