Dear Simon,

Please find attached updated FRA and supporting information.

My Flood Consultant has tried to discuss the attached directly with the EA officer but has not managed to raise her. It would be greatly appreciated if you could request the EA officer to contact my consultant upon receipt of the updated report if she has any further queries.

Best regards

Adrian

Dear Adrian,

Please see attached Environment Agency comments raising an issue with the submitted FRA. Please can you revise it and provide back to me. Unfortunately, we have to make a decision by the 6th December and so I need it back by the 19th at the latest but preferably earlier, otherwise we won't have time to reconsult the EA and you are looking at another refusal.

There are some other comments on our website but none raising objections/requiring further work.

Kind Regards
