Dear Sir

Change of Use to flats with side and rear extensions : 130, Longford Road, Bognor Regis, West Sussex PO21 1AF

We enclose our clients Planning submission in respect of the above, together with copy of each of our drawings 1917 P 01 location and block plans, 02 Plans and 03 Elevations as existing, 04 Plans and 05 + 06 Elevations as proposed, 07 Perspective views and validation check lists.

We anticipate the submission fee will be £ 2,330.00 including portal charges, based on creation of 5 new dwellings, should this not be the case please inform us by return.

The proposal is for change of use from house in multiple occupation to 5 self contained flats with a rear extension to form bathrooms at ground and first floors and a single storey pitch roof, side extension. Floor areas meet the standards requirements of the local plan.

The proposal meets the requirements of the Local Plan Section 13 and Policy DDM1 with a high quality in design in aspect and form. The complies with space standard requirements of Policy DDM4. The proposals maintain boundary screening from neighbouring properties. The extensions contributes to the local character with high quality in design.

No vehicle parking spaces are provided as the site is near to the town center and therefore a sustainable location, secure cycle storage is provided in the amenity space.

We anticipate Pagham Harbour Management Contributions will apply and our clients are completing the Section 106 documents which will be forwarded with the checking fee of £ 200 separately.

Please contact us if you require further information or have any queries.

Yours sincerely

Will Matthews
