Subject: BR/243/20/L - 51 Canada Grove Bognor Regis PO21 1DW

Dear Team,

I am writing regarding an application for Listed building consent for an access ramp with reference number BR/243/20/L.

Is there a possibility to put required Schedule of Works and Method Statement as a condition for validation as our client needs to tender the builders as still does not have one in place?

I'm looking forward to your answer.

Many thanks in advance,
Tina
