Dear Simon, thank you for your email.

Having spoken to Mr Brookes, I can confirm we are happy with the extension of time until 28<sup>th</sup> Feb 2021 as requested.

I trust that there will be no further delays and once we agree the amended contributions, look forward to your recommendation of approval.

Dear Simon,

The plans have now been changed on the system and we have notified the Town Council of the changes. They have 21 days to respond therefore I need to agree an Extension of Time with you until at least the 28<sup>th</sup> February 2021. Longer may then be required to complete the S.106 but can you agree to this date in the first instance.

I have also written to the relevant consultees to seek advice on the revised contributions concerning POS/Play/built leisure and WSCC Infrastructure. WSCC have already told me that with the scheme now at 10, the library & fire contributions will fall away so they will just be seeking education contributions.

Once I have the details of the amended contributions, I will need to agree these with you and once I have your agreement, I will be able to confirm our recommendation.

Kind Regards
