Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/246/21/HH
Site Address: 93 Chichester Road Bognor Regis PO21 5AE
Description of works: Conversion of roofspace to habitable use to include a rear flat roof dormer and conversion of roof from hip to gable end

Thank you for your internet representation made on 24th November 2021 which has been recorded as an objection with the comments as follows:

OWPC42151

We have concerns due to the height and build of the newly proposed roof and Large rear Dormer, that the light to the East side of our property may be restricted, taking light from our garage window, glazed back door and possibly our shower room window at ground floor level.

The Large rear dormer will provide a direct line of vision into our garden affecting our privacy.

There is no direct access to the side or rear of No 93 or access through their garage for construction purposes.

We have not received any direct communication regarding this planning application.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Planning Committee, and I shall write and inform you of the date

of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
