6 Nov. 2013

Objection to Planning Application
No. BR/249/13 Chichester Rd.
Bognor Regis.

The proposed position for the Convenience Store is in one of the most congested sections of road in Bognor Regis.

On leaving the roundabout which brings traffic from North and East of Bognor Regis in the next 100 yards the following:-

- 1/ To the right Amulian Station (Emergency Vehicles)
- 2/ To the right Bus Stop
- 3/ To the left Hillsboro Rd (proposed car park of light)
- 4/ Traffic lights
- 5/ To the left Town Cross Av. (on the corner is a Nursery School)
- 6/ Pocklington Crossing
- 7/ To the right Church Lane, Leads to School, Church & near of Hospital.

Any more traffic will cause even more tail backs.

P.T.O.

I do not understand "Transport Statement"
Surrounding roads have ample off street parking for
staff'

I am happy to add to my comments
but it is NO to Council Star on this
site .
