Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/24/26/PL
Site Address: Tesco Superstore Shripney Road Bognor Regis PO22 9ND
Description of works: Installation of single storey raised car park deck together with site alterations, car park reconfiguration, new access into car park, drainage alterations, creation of new drainage outfall, landscaping and other associated works.

Thank you for your internet representation made on 6th March 2026 which has been recorded as an objection with the comments as follows:

OWPC81831

No consideration has been taken into account of the current usage along the river. Teaco car park is not consistently busy enough to require a second level car park. The installation of another level will be an eye sore the the adjacent property and could impact on the nature of the business. Customers may not access the adjacent site due to sun light being reduced on their property.

Your views as made above will be considered before the application is determined.
