Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/24/26/PL
Site Address: Tesco Superstore Shripney Road Bognor Regis PO22 9ND
Description of works: Installation of single storey raised car park deck together with site alterations, car park reconfiguration, new access into car park, drainage alterations, creation of new drainage outfall, landscaping and other associated works.

Thank you for your internet representation made on 26th March 2026 which has been recorded as an objection with the comments as follows:

OWPC82422

In the absence of an adequate flood risk assessment we object to this application unless clear evidence is provided that this development does not increase flood risk elsewhere.

The commercial properties in Durban Road are very sensitive to the levels of the Rife and any increase greatly increases the chances of flooding. We have been flooded previously which resulted in thousands of pounds worth of damage.

We would also like to see a clear maintenance plan in place to ensure no debris/silt build up as it is essential any flood water flows freely.

Your views as made above will be considered before the application is determined.
