Good Afternoon

I am in the process of validating the above application, and the existing and proposed west elevations appear to show a door, however the floor plans have a window. Please could you clarify at is it unclear, or submit amended plans.

Please also note that the ground floor plan has been labelled as existing on the Proposed Elevations and Floor Plans Dwg No 5, please confirm if you are happy for me to amend or submit an amended plan.

Kind Regards

Nicky Moore
