Dear Paul,

I have started writing the report for BR/252/21/PL (for approval) but it is taking time alongside my other commitments, particularly as I am presenting four applications at Ctte tomorrow which has meant lots of prep last/this week. I will continue to work on it when I can (and also the Listed application) but I will require a further Extension of Time from you. Can you agree to an extension on both applications until the 16th February.

Kind Regards

Dear Simon,

We have been copied into the response from the environment officer to the submitted bat survey but note that the application has not yet been determined. The extension of time was until yesterday so please advise what will happen now?

Many thanks

Regards,

Paul Moisan
