15th November 2018

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

4 No. non-illuminated advertisements at various locations.

Hothampton Gardens & Surrounding areas Bognor Regis

Thank you for your internet representation made on 14th November 2018 which has been recorded as '**an objection**' with the comments as follow s:

These boards will distract drivers as so close to the road in places.

The sunken gardens is a conservation area and the boards facing the area will detract from it and people's enjoyment of the gardens as well as possibly affecting wildlife such as birds and bats. This must go against conservation regulations.

Under Schedule 3, Class 3c (2) (which this type of advert falls under) No advertisement may be displayed except while the relevant works are being carried out.

The council have failed so many times to listen to the people of Bognor who have repeatedly said that they DO NOT support the Linear park, surely as a democratic society the public should have their views respected and ADC should return to the drawing board for the regeneration of the town and not just push through yet more flats.

I totally oppose the erection of the signs and the linear park for that matter.

Unfortunately it is not possible for the council to respond to each representation individually but your view s will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your view s are clear and only include information that you are happy for the public to view . Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically

forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
