Dear Mr. Crowther,

We are objecting to the new planning application BR/255/18/HH to 30, Mansfield Road Bosnor Regis, PO22 9EY.

We have already lost our privacy with the previous application to this property under BR/69/18/HH, as the rear of our house which includes our main living areas, backs onto and fully faces the rear of the new build.

If the new building request is granted, then this will mean that the extension of the roof by a further 4.5 metres towards us, will allow us to be totally overlooked inside and out at our home by an imposing property/extension not in keeping with the neighbouring area.

Yours sincerely,

Mr & Mrs Wood
