Hi Simon

I can confirm that the change in description and EOT is acceptable. However, we would be most grateful if we could beat that end date if all legal matters are resolved earlier.

Many thanks
Simon

Dear Simon,

Can we agree a change to the description of the application to state: "Refurbishment, external alterations, extensions & reconfiguration of previously permitted conversion to rebuild ground floor A3 restaurant & provide a total of 27 flats. This application affects the character & appearance of The Steyne, Bognor Regis, Conservation Area (resubmission of BR/326/18/PL)"

NB, we will not need to re-advertise the application due to the description change.

I will also need an Extension of Time. Could we agree until the 6th January 2020 (noting that I am on leave between 23/12 and 03/01). Please note though that I will finish the report in the meantime and as soon as everything is ready, we will be able to issue the Permission.

Kind Regards
