Dear Mr. Phebey

Application for a Non-Material Amendment following grant of planning application BR/208/09 for two new windows in the north western elevation of 36 Sudley Road, Bognor Regis in association with conversion works to provide 7 No. additional flats

Thank you for your letter and enclosures regarding the above. I can confirm that the addition of two new windows within the north western elevation of the building, as shown in Drawing No. 1187/P02, Rev B, received on 31st August 2010, can be accepted as a Non-Material Amendment and will not require the submission of a planning application.

Please note that these plans therefore become the approved plans for application BR/208/09.

I hope this information is of assistance to you.

Yours sincerely

Amelia Stroud
