Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/259/21/PL
Site Address: Regis Lodge 3 Gloucester Road Bognor Regis PO21 1NU
Description of works: Proposed change of use from C1 Guest House to 9 Bed. HMO (Sui generis) including internal and minor external alterations.

Thank you for your internet representation made on 1st December 2021 which has been recorded as an objection with the comments as follows:

OWPC42291

I object on the following grounds:-

- 1) The presence of HMOs tends to have an unfavourable effect on the general environment in Bognor Regis. This is because many properties licensed as HMOs are in poor condition, lack ongoing maintenance and have a negative effect on neighbouring properties.
- 2) There appears to be a policy of preferentially approving HMOs in Bognor Regis so that there are, for example, over 100 in Bognor compared to just over 30 in Littlehampton.
- 3) The presence of multiple HMOs in a locality tends to degrade the area and make it less attractive to traditional residents, businesses and visitors. Something that goes against the efforts of the various organisations working to promote Bognor Regis.
- 4) Many of the occupants of HMOs tend to be young single men, often working shifts, with little interest in the local community. Refuse often accumulates and is not cleared after bins are emptied.
- 5) If the HMOs in the Aldwick road area are anything to go by the young men often form groups around local shops and cash points, can be intimidating, and appear to be oblivious to safeguards to prevent the spread of Covid. Something that may be increasingly important as we go into winter.

Your views as made above will be considered before the application is determined.
