Hi Simon

Many thanks for your correspondence. We will be lowering existing ceiling heights (which are very generous) to achieve room sizes in roof areas.

I will put together a levels indicator and section drawing to demonstrate and forward to you by return,

Many thanks

Nick

Dear Nick,

I have been looking at your application and I have a query as to how the roof accommodation will function given the low roof heights at either end. I would like to request a section drawing to show floor to ceiling heights within the roof please.

I look forward to hearing from you.

Kind Regards
