Dear Nick,

I have not received anything from you as per your email of 07/11 – have you sent anything through which we haven't received?

In addition, I now have WSCC Highways comments, attached, which raise concern with the parking layout and refuse provision. We would accept an under provision of parking spaces which would resolve these issues and you therefore may wish to amend the site layout plan?

Kind Regards

Hi Simon

Many thanks for your correspondence. We will be lowering existing ceiling heights (which are very generous) to achieve room sizes in roof areas.

I will put together a levels indicator and section drawing to demonstrate and forward to you by return,

Many thanks

Nick

Dear Nick,

I have been looking at your application and I have a query as to how the roof accommodation will function given the low roof heights at either end. I would like to request a section drawing to show floor to ceiling heights within the roof please.

I look forward to hearing from you.

Kind Regards
