Dear Laura,

I am sorry for the continued delay. This is solely due to the sheer amount of work that we have as a department which has caused a backlog in the determination of applications. Currently, I have 10 that are older than yours and which must be decided first. This list also includes some large major type cases which take much longer to write. However, I am unable to concentrate on just writing reports as every day I get 20-30 emails plus phone calls and I also have other commitments in terms of appeals, site visits, meetings etc. You will get a decision but I am afraid that it will take some weeks yet.

Kind Regards

Simon,

Can you please give us an update on when the decision is going to be made for our planning application (BR/262/18/PL)?

The decision is almost 2 months late. Can I please ask why there is such a huge delay?

Regards,

Laura Krasoska

Dear Ms Piasta,

I am afraid that your application is still in a queue and I have working through this as fast as I can in order of oldest application first. I have 18 older cases ahead of yours. I am sorry that my previous estimate was incorrect and I think I will be able to get the decision out by the end of February.

Kind Regards

Good morning Simon,

We still haven't had a decision on our planning application BR/262/18/PL. This was due on 24th December 2018. The decision is almost one month late.

Can you please let us know when this will be done?

Regards,

Laura

Dear Nick,

As per the email from your client,

I have asked Highways to reconsider the parking layout but otherwise have everything that I need.

Simon,

Can I please double check that you have now all required documents and that nothing is outstanding.
