Subject: New gym application BR/262/20/PL ?????

Hi,

We have found out a new gym will be taking over an industrial unit at Derban Park, which is in a residential area and will have significant impact to the local residents, of which I am one. It appears there was no consultation with the residents and there have been no reports to understand the impact of traffic and noise, which will both be significant and will be 24 hours a day!!!!!!!!!!

The area already suffers badly with traffic and this will make it horrendous for us with cars parked everywhere, rush hour, early morning and weekend traffic hugely increased and of course noise throughout the night from cars arriving and driving off, late night noise from music etc.

How has this been allowed?

Yours sincerely
David
