Importance: High

Hi

It has been brought to our attention that a 24hr gym is looking to open in a unit in Durban Park and we were hoping you might be able to shed some light on that. I believe the planning reference is BR/262/20/PL

Firstly of course, is it true?

Secondly, these units are directly behind our property and we are wondering why the neighbours haven't been consulted or at least informed?

Thirdly, could you please advise as to the measures in place to stop any impact to the residents such as increased volume of traffic and noise pollution.

Frankly the site behind our property is already a problem with the way it functions currently, adding further, 24hr issues, would make it ridiculous, and as it stands we would definitely object to it going ahead.

We would appreciate your urgent response to this as we have been lead to believe this project is due to be approved today.

Kind Regards

Emma and Tom Green
