Subject: Gym moving BR/262/20/PL

Hello,

Where is the traffic management report and noise checks for this application, as well as evidence of parking requirements for change of use to a gym. These are essential for a change of use to D2 for a unit of this size and location but do not seem to be attached to the application, especially given the extended 24 hours a day 7 days a week.

Please advise,

Regards

Matthew Graham
