Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for variation of conditions following grant of planning permission
BR/348/16/PL relating to Cond 2 - Block plan & smoking shelter, Cond 9 - smoking
shelter materials & Cond 11 - use of smoking shelter & conservatory.
St Josephs Albert Road Bognor Regis

Thank you for your internet representation made on 26th November 2018 which has been
recorded as '**an objection**' with the comments as follows:

*I read the application BR/263/18/PL (reference Butlins staff facility extension of hours to
12 midnight) and wish to lodge a strong objection.*

*Whilst we understand that Butlins contribute a great deal to the economy of Bognor Regis,
this should be a reason for granting extended licensing/noise pollution, which would be to
the detriment of living standard of the local residents. We are already subjected to
unreasonably long loud partying, long after the 7pm [conservatory] and 10 pm [smoking
area] deadlines. If the deadlines are extended to midnight, the noise will continue into the
small hours - that is the nature of things. It seems impossible, for those responsible, to
curb existing unlicensed party noise. An extension will neither change their desire, nor
ability, to do so.*

*Furthermore, the present enlargement of the Resort will no doubt add to the number of
staff employed which in turn will increase the future noise pollution.*

Unfortunately it is not possible for the council to respond to each representation individually but
your views will be considered before the application is determined and I shall write to inform you of
any decision made.

If the application is to be determined at the Development Control Committee and your letter has
been received after the agenda has been published, you will not receive a separate letter notifying
you of the date of the meeting and the procedures for public speaking. In such circumstances, it is
recommended that you track the progress of the application on the website or telephone for further
information. Please be advised that any comments received after the the Development Control
Agenda has been produced will be reported to the meeting. Please also note that only a small
number of all planning applications are determined at the Development Control Committee, most
are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only
include information that you are happy for the public to view. Do not include personal information or
information from third parties unless you have their permission to do so. If a complaint is received
that permission has not been given for comments included about a third party, the Council reserves
the right to redact/remove all relevant information. Do not include information that is defamatory or
breaches equality or other legislation. If you do not wish your comments to appear on the website
and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this
does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
