Dear Nick,

Sorry, I also need you to change the submitted block plan 129/2.010/05 to remove the reference to "Adjusted Hours of Use" (Conservatory) and to amend the relocated smoking shelter annotation to refer to 2 people not 6. Please can you also confirm whether the smoking shelter drawing is to be retained unchanged in the submission.

Kind Regards

Dear Nick,

Thanks for this. Can you just confirm therefore that the only change now is the relocation of the smoking shelter from one side of Blackbird Cottage to the other?

Dear Simon,

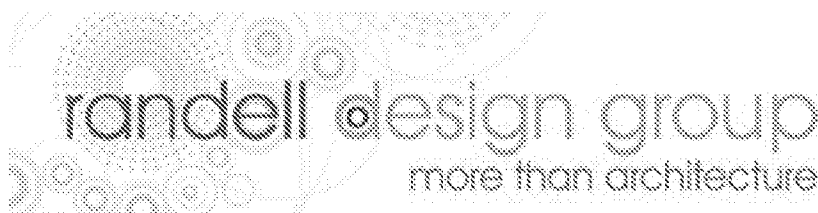

I can confirm the following;

- We retract the proposed extended hours of use for the conservatory
- We accept the original planning restriction to the smoking areas, whereby only two people can use each smoking area during the hours of 22:00 – 07:00

Please do let me know if you require any further information.
