

Regent Property Holdings Ltd

56 The Drive, Bognor Regis, West Sussex, PO21 4DT

September 2017

Bin Storage Statement

The proposed scheme simply adds a further 2 bedrooms and 2 bathrooms to the top floor of the previously approved and implemented scheme.

We therefore suggest an additional 240l is required.

This can be easily accommodated within the rear service yard.

All other element of the bin statement remain the same as previous scheme so we attach this for reference.
