Hi Zoe

The trees are over a driveway and are getting hit by the weather directly from the beach. The works proposed are to stop further damage to the trees and to stop future problems from the trees making mess over the driveway.

Regards

Keona

Dear Leona,

Thank you for your email.

I am sorry, I can now see that you do not wish to fell the trees but to reduce them. Please would you be able to provide a reason for the works so I can report back by Monday.

Many thanks

Dear Sir/Madam,

I hope you are well.

I am the case officer for this application and I have received a request for further information from Bognor Regis Town Council to provide a reason for the works you propose to all trees and if you have an intention to replace these trees by re-planting new trees.

Please would you be able to respond to this request by Monday 19th October so I can inform the Town Council.

Many thanks
