Subject: RE: Planning Consultation on: BR/267/11/

There are no objections in principle however the accompanying letter states the submitted drawings are at a scale of 1:50 yet the scale drawn indicates a scale of possibly 1:500 I presume this is in error. The drawings also do not indicate the position within the proposal of the staircase to the upper storey therefore it is difficult to give a definitive response regarding access and egress throughout this proposal.
