Dear Mr Kyte,

Thank you for your email.

Unfortunately, this will not be possible, the Tree Officers position with regard to the proposed felling of the tree remains the same. However, with his comments he is stating that should your appeal be allowed he would request the replanting be requested.

Many thanks

Charlotte

Subject: Tpo appeal BR/267/18/T

Hello Charlotte

As you are aware I have appealed the decision to fell my tree and I am currently awaiting for a site visit, I can see Mark has asked for a replant to the front of my property should the appeal be upheld.

As I said in my original application I have no problems with doing this, so the purpose of my email, is there any chance of resolving this matter without the site visit and associated costs for the planning team.

Regards

Jamie
