Dear Jay,

Thank you for your email. I already understand the urgency of the situation but as previously indicated to your client, we are awaiting the comments of West Sussex Highways regarding the cycle store. However, we have today issued approvals for the energy and waste store conditions.

Kind Regards

Subject: URGENT - 26 Nyewood Lane, Bognor Regis
Importance: High

Hi Simon,

I am contacting you on behalf of my landlady of 26 Nyewood Lane, Bognor Regis and her application for its change of use. She was granted approval with conditions which would need to be adhered too which have been completed but she now needs the sign off to take place.

Ordinarily, we wouldn't be under this much pressure but we have one of the Arun housing teams tenants who was due to vacate his property on the 26th of February waiting to move so the longer Nyewood Lane is in its current "limbo" state, the longer the tenant will have to remain in situ which I am sure is not an ideal scenario. Having personally visited 26 Nyewood Lane I am certain it will sail through its approval and we will be able to make sure the gentlemen through your housing team is rehoused.

I thank you in advance and if I can help in any way please do not hesitate to contact me.

Kindest Regards

Jay Haddigan
