Thank you for your internet representation made on 15th November 2018 which has been recorded as **'support'** with the comments as follow s:

The plans for this development retain any asthetic impact to the high street and bring much needed development to Bognor Regis.

The proposals that tenants are not able to own cars show good thought for the existing residents and support for proposals of this nature should be supported by all residents.

They won't be because people don't read plans, but they definitely should be!
