Dear Charlotte,

Having discussed with my Team Leader, we do not consider the wording of the BRTC comments to mean that this needs to go to Committee if there are no contributions towards urban realm improvements. However, I cannot yet confirm that this will be a delegated item as our Head of Planning reserves the right to request that applications go to Committee if it is in the public interest to do so.

Kind Regards

Good afternoon Simon

I have just left you a voicemail, but I was wondering how you were getting on with the above application? Please could you give me a call on [REDACTED] so we can have a chat through progress and discuss whether you feel it would be beneficial to have a brief meeting to run through details? The architect and I are happy to pop in and talk you through the key aspects of the proposals.

Kind regards
Charlotte
