Dear Charlotte,

Did you have any objections to my email of 10th December regarding the proposed Pagham Harbour contribution of £9,058.40? If you are in agreement, I will instruct our solicitor to draw up the agreement.

As regards timescales, I have a very large complicated case load at the moment and I am weeks behind on all applications. There are approximately 40 applications due before yours. Therefore, I would not anticipate being able to determine this by the 1st of February but I should be in a position to do so by the end of February.

I am happy to meet if you require however not until February. I am trying to keep January as free as possible to concentrate on reports.

Kind Regards

Good afternoon Simon

I hope all is well with you? I just wanted to check whether there is any progress on the Wilko application? Please could you let me know? Also, would you like to get a date in the diary for a meeting in January?

Kind regards

Charlotte
