Dear Charlotte,

I reviewed the file on Friday and have come up with the following:

1. Need to agree Pre-commencement conditions (re drainage engineer, structural engineer, env health & highways comments)
2. Materials – how will render colour be maintained
3. Waste collection arrangements

Kind Regards

Good evening Simon

I hope all is well with you? We have a meeting scheduled in the diary for Wednesday 6 February at 10am. In advance of that discussion I was wondering whether there are any specific queries or points that you would like us to provide clarification upon at the meeting. Are there any specific matters that you would like me to add to an agenda. Please could you let me know as soon as possible on Monday?

Many thanks indeed and kind regards
Charlotte
