Dear Abhay / Charlotte,

There is nothing else outstanding other than this legal matter. Our principal solicitor, Jeremy Cook returns on the 26th March and I was going to give him a nudge on the 27th if I hadn't heard from him.

Charlotte – thanks for your offer of a more detailed commentary on the matter from your lawyer. I cannot see that this would not help so if you are able to provide something then I can pass to Jeremy.

Kind Regards

Good morning Abhay

I spoke to Simon yesterday and at the end of last week re these matters. The town council have been reconsulted and will consider the proposals at their meeting on 2 April. I have chased re the Council's solicitor's response but he is apparently on leave until 25 March so will chase again on Monday.

Please call or email if you have any queries.

Kind regards
Charlotte

My lawyer contacted me yesterday and said he is waiting on amended wording for the s106 agreement for private contractor costs on refuse collection as a HMO.
Hopefully, we can agree that quickly.

Is there anything else o/s, where you have queries or where you are waiting on further feedback – I think its just the Town Council now, but I wanted to check if there is anything else we should be working on.

Many thanks.
