Good afternoon Simon

RE: BR/270/18/PL

Further to the development principally of the Bedford Street elevation, please find this WeTransfer link to the following drawings and supporting documentation:

- Elevations layering study
- P150-P5, P151-P5, P201-P5, P202-P5, P204-P7, P205-P6, P206-P6, P207-P6, P208-P6, P209-P4, P201-P6, P221-P7, P222-P7, P223-P7, P224-P7, P260-P2, P300-P4 & P610-P4

We should be most grateful if you would substitute the relevant drawings forming the current set. Please excuse the number of drawings – the upper storey plans have only changed due to a c.250mm realignment in the Bedford Street kitchen walls.

I hope this all meets with your approval and look forward to hearing from you soon

Kind regards

Daniel
