Dear Charlotte,

FYI.

As regards timescale, as discussed on the phone just now, I am afraid that there has been a request from our Group Head of Planning to take this to our Development Control Committee on the 5th June. The reason for this is that the application is a significant scheme and our Group Head of Planning feels that members should be afforded the opportunity to decide the application. The application does not meet the tests in our Scheme of Delegation for presentation to Committee but instead this a decision taken by the Group Head. My team leader and I have tried to argue against this but the decision has been made.

I will need an extension of time from you until the 7th June 2019.

Kind Regards

Dear Simon

Thank you for your email of 25th April.

The engrossed copies of the agreement were sent to the applicant's solicitor on 25th April, so I hope that I will have received it back, via WSCC, with legal fees paid by next Tuesday and completed by the end of Wednesday 8th May.

Regards
