Good afternoon imon

Thank you for your email from yesterday. I have discussed this with my client and as I explained on the telephone yesterday, we are disappointed that the application is being taken to committee. However, my client has agreed to the extension of time for the consideration of the application up to 7 June 2019.

Kind regards
Charlotte

Dear Charlotte,

FYI.

As regards timescale, as discussed on the phone just now, I am afraid that there has been a request from our Group Head of Planning to take this to our Development Control Committee on the 5th June. The reason for this is that the application is a significant scheme and our Group Head of Planning feels that members should be afforded the opportunity to decide the application. The application does not meet the tests in our Scheme of Delegation for presentation to Committee but instead this a decision taken by the Group Head. My team leader and I have tried to argue against this but the decision has been made.

I will need an extension of time from you until the 7th June 2019.

Kind Regards
