Hi Simon

Please find attached issue C drawings now showing the ramp only one metre shorter than the original drawings (not 2 as in issue B). This concession was agreed a few minutes ago by Elaine Webster from Natural England.

She said that she would be in touch with her colleague Francesca Barker giving the authority for this concession

I have now updated the detailed A3 ramp drawing JE 1949 issue B, I will bring this to the meeting this afternoon

Please advise if you would like any further information

Kind regards
Joe
