Hi Simon,

Sorry – thought I'd already responded to this one.
Please may the original recommended conditions be applied as the submitted documents are not sufficient to satisfactorily address the requirements of the noise-related conditions.

Thank you,

Kate.

Hi Kate,

Can you now consider the attached documents and advise whether (a) you no longer need to impose the pre-commencement noise condition and (b) if any further conditions are required?

I have to report your views to the Committee on the 10th April so can I have your response by the 5th please. Thanks

Kind Regards
