Hi Maria

Yes all good.

Attached revised drawing 13. I have taken off the post and rail fence but kept the hedging and changed to a low level (600mm) high box type hedge which matches the surrounding houses.

Hopefully this enables you to issue the discharge of the conditions. Can you make sure you include no.03 which you did not mention below. This will clear the first discharge application. I am just waiting for drainage man to provide amended stuff for the other discharge condition. I will email this as soon as I get it.

Finally there is the variation of condition application for the amendments which hopefully should not be a problem.

Regards

Hi Philip,

I hope you are keeping well.

Today I received the new comments, they are happy to discharge conditions 10, 15 and 16.

Conditions 5,7 and 13 can be discharged as well, however I would like to ask you to amend drawing No13 where you are showing 1.2m high boundary treatment to the front.

Due to the character of Kew Gardens with entirely open street layout (except some low hedgerows), this front Boundary treatment is for this location not appropriate.

Kind regards

Maria
