Dear Mr Dudley,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref BR/63/19/PL relating to Condition Nos 3 - dustbin storage, 5 - renewable energy, 7 - material & finishes, 10 - Construction Management Plan, 13 - cycle parking spaces, 15 - visibility splays and 16 - pedestrian visibility splays

15-17 Kew Gardens Bognor Regis PO21 5RD

Notification regarding the above application:

Condition Number 10

No development shall commence until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters,

- the anticipated number, frequency and types of vehicles used during construction,
- the method of access and routing of vehicles during construction,
- the parking of vehicles by site operatives and visitors,
- the loading and unloading of plant, materials and waste,
- the storage of plant and materials used in construction of the development,
- the erection and maintenance of security hoarding,
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),
- details of public engagement both prior to and during construction works.

Reason: In the interests of highway safety and the amenities of the area in accordance with policy TSP1 of the Arun Local Plan. This is required to be a pre-commencement condition because it is necessary to implement the surface water drainage system prior to commencing any building works.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

West Sussex County Council Highways have been consulted and commented amended drawings.

The plans and details pertaining to condition 10 are acceptable, provided they follow attached informative:

The applicant is advised of the requirement to enter into early discussions with and obtain the necessary licenses from the Highway Authority to cover any temporary construction related works that will obstruct or affect the normal operation of the public highway prior to any works commencing. These temporary works may include, the placing of skips or other materials within the highway, the temporary closure of on-street parking bays, the imposition of temporary parking restrictions requiring a Temporary Traffic Regulation Order, the erection of hoarding or scaffolding within the limits of the highway, the provision of cranes over-sailing the highway.

The approved details are hereby:

Drawing No.14 Rev A, Proposed Construction Plan received on 06/04/2020 and
Construction Environmental Management Plan received on 06/04/2020

The submitted details in respect of the Construction Management Plan and Construction Environmental Management Plan are considered to provide an acceptable scheme and satisfies the requirements of the condition. The condition is therefore fully discharged insofar as the submission of details relates and on the understanding that the plan will be in force throughout the construction process.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

.

Neil Crowther
Group Head of Planning
