Hi Richard

I don't believe my colleague Gavin Mustion has received a response to his earlier emails below and I would also welcome an update pleased noting that the closure date for comments is by 6th December as I have a meeting with our client on Tuesday and would like to give them some feedback please.

Dear Richard

The landlord has only recently written to us to ask if the description could be amended so that the development would be mixed D2 and B8.

So to clarify they would like to retain the use class for storage and distribution (B8) and add (not change) Assembly and leisure (D2).

Please could you confirm if this is achievable and if any forms need to be amended to suit.

Many thanks
