Dear Michael,

I have just been comparing the application to the pre-application scheme and with our photos of the site. However, I need to go and visit to check the relationship with the neighbouring dwellings. I will do so on Wednesday and I will advise you of my view afterwards.

Kind Regards

Simon,

With regard to BR/280/19/PL for the redevelopment of 5 Victoria Drive, I was wondering if you have any comments or thoughts given that the decision date is indicated as 4th December and that there do not seem to be any objections from adjacent neighbours or the Town Council recorded on the online portal.

Our client is keen to engage with yourselves to ensure any concerns are mitigated and a positive decision is forthcoming.

If you feel the application is likely to receive a negative decision can you please contact me prior to any decision being made so we are able to discuss and address any concerns you may have.

Kind regards,

Michael Wood
