Dear Michael,

Sorry I forgot to acknowledge the revised plans. I can confirm that they were what I was after and that on this basis, we will be recommending approval. I am unable to get the report done this week and I am then away until the 6th. When I return I have a hearing appeal to prepare for and a committee agenda to write reports for. However, I will be able to work on the report mid to late January and I would therefore be grateful for an Extension of Time until 31 January 2020.

Kind Regards

Simon,

Sorry to chase up on this but do you now have enough information in our revised drawings and do you have an indication of the likely decision date? Our client is keen to progress with the project and in particular the lengthy discussions and negotiations with utilities and services providers.

If you require any further information please do not hesitate to contact me.
