Dear Nicola

Further to our conversation of just now, I can confirm that notwithstanding the original submissions we have made in respect of this application, the description should read: ***'Erection of a three storey building to provide 9 no. flats, comprising 6 no. 1-bed and 3 no. 2-bed units, with associated amenity areas, access and car parking, following the demolition of an existing dwelling'***.

In this respect I also now provide you with a revised Planning Statement, with corrected cover page. Please can you omit the Statement originally supplied with the application submission.

I would be grateful if you could update your records accordingly, and I look forward to receiving formal confirmation of the applications validation in due course.

Best regards,
